Report description:

While sweet biscuits, snacks bar and fruit snacks are expected to register a double-digit increase in current value sales, volume sales are expected to fall. Continuing economic uncertainty as a result of Russia's invasion of Ukraine, the meteoric rise in inflation and tightening monetary policy, all have a dampening impact. In particular, inflation is expected to still be an issue, though its growth is expected to ease. As a result, consumers are expected to be price sensitive and prioritise va...
