Report description:

As in 2021, ale posted the fastest total volume and value growth in 2022. This performance was connected with the trend for more premium, and expensive, beer, which is perceived to have a richer taste. Moreover, on-trade sales popularised ale more than other beer types. Therefore, the return to the on-trade channel as society reopened after the Coronavirus (COVID-19) crisis boosted ale sales. The perceived quality composition of dark beer types like ale also contributed to volume sales growth ami...
