### **Report description:**

Sales of e-vapour products posted double-digit growth in current value terms in 2022, following a very successful couple of years in 2020 and 2021. Closed system single use products remained the most popular option in 2022 with the category remaining the main growth driver despite the government introducing restrictions on flavoured e-vapour products and e-liquids in July 2022. Nonetheless, retailers managed to find ways around the law such as calling flavours "aromas" while also continuing to s...
