Report description:

The Moroccan snacks market saw a positive performance in volume terms in 2023, continuing the trend of the previous year. Growth was boosted by a return to pre-pandemic lifestyles and the lifting of remaining travel restrictions. However, the average rate of inflation remained at an elevated level, largely due to increases in food prices, owing to the war in Ukraine, which caused widespread disruption to global supply chains. With manufacturers experiencing a sharp rise in the cost of raw materi...
