### **Report description:**

In 2023, sugar confectionery is set to see strong performances in both retail volume and current value terms in Uzbekistan. After sales stagnated in 2020, and rebounded in 2021, there was slow expansion in 2022, and even stronger growth is expected in 2023 due to increasing consumer purchasing power and a lack of maturity. Despite continued strong average unit price growth, which is set to drive a dynamic current value increase, consumers have remained willing to purchase sugar confectionery. He...
