Report description:

In 2022, sweet biscuits recorded positive volume growth after two years of registering declining sales, with positive growth also expected in 2023. The good performances in 2022 and 2023 are, in part, explained by a better supply after the production restrictions seen during the pandemic, with factories producing at below-capacity levels due to COVID-19 infections impacting the supplies of sweet biscuits. A better supply of imported brands also favoured the recovery of sweet biscuits, with volum...
