Report description:

Fragrances emerged as the driving force behind the growth of the beauty and personal care industry in 2022, a year marked by the resurgence of demand for discretionary products, increases in prices, and the return of socialisation. With double-digit growth in the category, Brazil maintained its position as the fourth largest global market for fragrances, despite the unstable socioeconomic/political scenario. 2022 was marked by a heated and polarised election campaign, which directly impacted con...
