Report description:

Cameroon was not as affected by the energy crisis stemming from the war in Ukraine as many other countries. Rising global energy prices in 2022 gave a boost to government coffers and helped stabilise the economy. However, ongoing civil conflict, as well as widespread poverty, restrained economic growth. Thus, while overall inflation was modest, volume sales fell. In particular, there was significant price increases for premium imported cigarettes, due to rising transport and other import costs a...
