- Multiple User License (Global) €2475.00

Report description:

As a discretionary product, digital cameras are losing appeal as consumers struggle under the weight of high costs of living in 2023. Inflation has reached unprecedented levels in recent years and is forcing consumers to rethink non-essential purchases. The Egyptian pound has lost almost 50% of its value against the US Dollar, pushing up the price of imported digital cameras accordingly. Professional photographers are putting purchases on hold and switching to cheaper digital cameras with fe...

Euromonitor International's Imaging Devices in Egypt report offers a comprehensive guide to the size and shape of the in-home, portable and in-car consumer electronics products markets at a national level. It provides the latest retail sales data, allowing you to identify the sectors driving growth.
