Report description:

Having seemingly been on a downward spiral there has been a renaissance in demand for digital cameras in 2022 and 2023. This trend stems from a 2000s technologies-inspired nostalgia being seen especially among the younger population (gen Z), with the hashtag #digitalcamera having had over 88 million views on TikTok at the time of writing. Despite this technology being eclipsed by constant improvements in smartphone cameras, the vintage, textured images produced by digital cameras started to attr...
