- Multiple User License (1 Site) €1650.00
- Multiple User License (Global) €2475.00

Report description:

The 2022 finance law in Morocco introduced an internal consumption tax on smartphones and new "green" taxes, which is expected to raise the cost of electronic devices and household appliances. Analysts predict that the ongoing war in Ukraine and chip shortages will impact the tech sector, with smartphone sales being over estimated.

Euromonitor International's Mobile Phones in Morocco report offers a comprehensive guide to the size and shape of the in-home, portable and in-car consumer electronics products markets at a national level. It provides the latest retail sales data, allowing you to identify the sectors driving growth.
