- Multiple User License (Global) €2475.00

### **Report description:**

Portable players recorded further growth in 2023, with wireless speakers driving this sales increase, as these products continue to attract consumer interest. Consumers are keen on the high quality of the sound they offer, as well as their advanced tech features. In addition, new product development in terms of length of battery power, quality of sound and improved design is stimulating sales for wireless speakers.

Euromonitor International's Portable Players in Poland report offers a comprehensive guide to the size and shape of the in-home, portable and in-car consumer electronics products markets at a national level. It provides the latest retail sales data, allowing you to identify the sectors driving growth.
