- Multiple User License (Global) €2475.00

Report description:

In 2023, overall demand for portable players in the UK remains flat, despite significant declines for e-readers and portable media players. The falling demand for e-readers is being driven by local consumers switching to physical books, with the latter perceived as offering a better immersive experience and helping to prevent digital fatigue. However, due to ongoing shortages of semiconductors and rising inflation, which is raising production costs, the average unit price of this product continu...

Euromonitor International's Portable Players in United Kingdom report offers a comprehensive guide to the size and shape of the in-home, portable and in-car consumer electronics products markets at a national level.
