- Multiple User License (1 Site) €1650.00
- Multiple User License (Global) €2475.00

### **Report description:**

During the review period, South Africa faced repeated interruptions to the power supply, known as load-shedding. This had a significant impact on businesses, including consumer electronics, as well as consumer lifestyles. However, these intermittent supply cuts created a growth opportunity within portable players. Consumers are increasingly buying products such as wireless speakers which do not need to be hooked up to a constant power source and can be connected to other devices such as smartpho...

Euromonitor International's Portable Players in South Africa report offers a comprehensive guide to the size and shape of the in-home, portable and in-car consumer electronics products markets at a national level.
