Report description:

The Mexican travel industry has demonstrated a remarkable resurgence, including airlines, with regional routes and connectivity playing a crucial part in recovery and growth. A significant topic of discussion within the industry revolves around the capacity of airports to manage the increased volume of flights. The opening of Felipe Angeles International Airport (AIFA) in 2023 is starting to address this concern by accommodating more flights from various airlines, enhancing connectivity, and pro...

Euromonitor International's Airlines in Mexico report offers a comprehensive guide to the size and shape of the market at a national level.
