### **Report description:**

Low cost carriers remained the largest category of airlines in Romania in 2023 in terms of both value sales and passengers carried as it recorded stronger growth in passenger numbers than full service carriers, although full service carriers recorded stronger growth in value sales over the course of the year. This was mainly a reflection of rising ticket prices as strong growth in the cost of fuel and other aspects of airline operation forced airlines to increase the cost of air travel as they s...
