Report description:

Travel intermediaries, especially traditional intermediaries, suffered during the pandemic. In 2023, however, consumers continue to see a degree of complexity in travel following the two years of pandemic travel restrictions, such as specific requirements to visit a certain country, or air routes being affected by the ongoing Russia-Ukraine war. As such, this is resulting in consumers seeking the up-to-date expertise of travel agents and, in turn, resulting in an increase in offline bookings whe...
