### **Report description:**

Two groups are contributing the most to growth of inbound travel to the UK in 2023. Visitors from the US continue to rise strongly in numbers in 2023, following considerable traffic the previous year. While they were early to take advantage of the lifting of COVID-19 restrictions, arrivals from the US have also been driven by the relative strength of the US dollar. Scotland is increasingly seen as an attractive destination for the US market with the strongest growth rates seen when pairing US vi...
