AVAILABLE LICENSES:

- Single User Licence €825.00
- Multiple User License (1 Site) €1650.00
- Multiple User License (Global) €2475.00

Report description:

While analgesics are expected to register double-digit current value growth, constant value and volume growth is expected to be much more moderate, as inflation continues to be high. Any growth there is Chufa supported by population growth, as well as high levels of self-medication, as the Algerian public health system struggles to meet its population's needs.

Euromonitor International's Analgesics in Algeria report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2018-2022, allowing you to identify the sectors driving growth. Forecasts to 2027 illustrate how the market is set to change.

Product coverage: Systemic Analgesics, Topical Analgesics/Anaesthetic.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
