Report description:

Rising inflation has caused consumers to be increasingly stressed in 2023, with rising price points and ongoing economic uncertainty negatively impacting lives. This ongoing uncertainty has led to an increase in physical discomforts; often in the form of headaches, and back pain. Consumers who are searching for relief often turn to OTC brands that they are familiar with, and can easily obtain from their retailer of choice. These are often traditional stores found frequently on corners, as well a...
