Report description:

There are interesting developments in terms of diverging performances within adult systemic analgesics. In 2023, acetaminophen is set to drive current value growth, and significantly outpace the overall performance of adult analgesics. Growth in acetaminophen will be led by brand names such as Tylenol, which is set to experience a stronger performance in 2023, as retailers and suppliers are recovering from supply issues as a result of the "tripledemic" that bombarded consumers in the latter half...
