### **Report description:**

Sales of cough, cold and allergy (hay fever) remedies are seeing strong growth in current value terms in 2023. This is partly due to inflation-driven price increases (also the consequence of supply shortages in some cases) and an increase in cough, cold and allergies now that pandemic restrictions have been lifted. Nonetheless, growth has not been as impressive as in 2022. Sales flourished last year due to the lifting of the requirement to wear face masks and other restrictions coupled with favo...
