Report description:

Dietary supplements has witnessed a surge in products targeting beauty and anti-ageing, which reflects consumers' growing desire for holistic wellness solutions and the "beauty from within" trend. Supplements such as co-enzyme Q10, which is known for its skin and hair health benefits, are gaining popularity. Co-enzyme Q10 is a potent antioxidant that is marketed for its ability to fight the signs of ageing, promote skin health, and bolster hair growth. These supplements are becoming an integral...
