### **Report description:**

Digestive remedies has seen robust current value growth in 2023 due to a combination of two factors. Firstly, Belgians rediscovered the joy of taking holidays, more particularly outbound trips and local excursions. Until the end of 2021, it was difficult for them to take vacations which required travel by air or sea due to multiple constraints (a negative test, vaccination certificates etc). As a result, many people showed a growing preference for domestic trips by car which provided them with g...

Euromonitor International's Digestive Remedies in Belgium report offers a comprehensive guide to the size and shape of the market at a national level.
