Report description:

In 2023, consumers are enjoying their newfound freedom following the loosening of COVID-19 restrictions. As such, this has led to an increased use of foodservice, with consumers eating out at restaurants, having parties, and drinking with friends. Additionally, with the threat of COVID-19 decreasing, the population has become more relaxed about hand washing, even in food preparation, leading to a higher need for digestive remedies. As a result, indigestion and heartburn remedies, such asesomepr...
