- Multiple User License (Global) €2475.00

Report description:

Digestive remedies continued to see an expansion in its consumer base in 2023 with higher penetration levels translating to stronger retail value sales. Products for indigestion and heartburn saw healthy growth thanks to more consumers eating outside of the home as offices and schools have fully reopened with the lifting of pandemic restrictions. In addition, diarrhoeal remedies and laxatives also had a strong performance following the reopening of the economy and a full recovery of tourism.

Euromonitor International's Digestive Remedies in Dominican Republic report offers a comprehensive guide to the size and shape of the market at a national level.
