### **Report description:**

The digestive remedies category is set to achieve a solid growth rate in 2023. Several areas are seeing a positive performance, with some being driven by the increase in travel since the ending of COVID-19 related restrictions, while others have been boosted by the revival of stressful, hectic lifestyles amongst Finnish consumers, which has resulted in an increasing number of Finns suffering from digestive issues such as heartburn and gut problems. The return to away from home eating, both on th...
