- Multiple User License (Global) €2475.00

### **Report description:**

Retail value sales of digestive remedies are recording subdued but positive growth in 2023, driven by heightened health awareness among the local population, including a greater focus on digestive health. French consumers are becoming increasingly aware of the importance of good digestive health, which includes an improvement in lifestyle choices such as adopting a healthier diet and more frequent exercise. This is generally leading to lower demand for some digestive remedies. However, due to mo...

Euromonitor International's Digestive Remedies in France report offers a comprehensive guide to the size and shape of the market at a national level.
