Report description:

Across digestive health, sleep aids, dietary supplements, weight management, and sleep aids, natural options formulated from botanical blends have skyrocketed in popularity post-COVID-19, as consumers have become increasingly educated on highlighted ingredient benefits and recognise the advantages of building a holistically balanced mind, gut, and immune system from within. Particularly prevalent in digestive wellness and immune support products, preventative care supplements that seek to enhanc...

Euromonitor International's Herbal/Traditional Products in USA report offers a comprehensive guide to the size and shape of the market at a national level.
