Report description:

Despite persistent inflationary pressures affecting the country and the sports nutrition industry in particular, consumers continue to purchase these items to help them maintain their regimes of fitness regimes. The fitness boom in the country is having a positive impact on sports nutrition, with more people joining gyms and exercise classes, and doing their best to lead a healthier lifestyle. Sports protein powder continues to be the most popular product within sports nutrition, though there ar...

Euromonitor International's Sports Nutrition in Dominican Republic report offers a comprehensive guide to the size and shape of the market at a national level.
