### **Report description:**

Alongside the re-opening of gyms and the increase in the number of people engaging in sporting activities since the pandemic being growth drivers for sports nutrition, the category also appears to be appealing to a different consumer group. Consumers are increasingly using sports protein powder as a meal replacement or a supplement for weight loss or weight control. Products that are marketed as "Diet" or "Lean" are becoming more widely available. The popularity of protein-heavy diet plans such...
