Report description:

Meal replacement continues to account for most value sales in weight management and wellbeing in 2023 and recorded further growth in the year. They enjoy strong sales promotion from the direct selling players and consumers are highly familiar with them. Ongoing new product development also attracts consumer interest in the category. Slimming teas, meanwhile, remains a small category in weight management and wellbeing, but it saw an improved performance in 2023. As awareness of slimming teas cont...
