Report description:

The baby food category is led by Nestle Pakistan Ltd with formula milk brands Bunyad and Nido both household names in Pakistan, offering high quality at low prices. Milk formula remains the dominant form of baby food in Pakistan with doctors and paediatricians commonly prescribing such products for babies, infants, and young children. Recent years have seen increased awareness of the usefulness and importance of milk formula among paediatricians and other medical professionals. The nutritional c...

Euromonitor International's Baby Food in Pakistan report offers in-depth knowledge of the market at a national level, providing local insight and understanding unavailable elsewhere.
