### **Report description:**

In 2023, the consumption of butter at home is expected to register similar healthy growth levels in sales volumes similar to those registered before the start of the pandemic. That being said, value sales are still low, with margarine and spreads and cooking fats accounting for significantly more volume sales. Local brand Pil Mantequilla from Pil Andina continues to dominate value sales in butter, holding about nine-tenths of value share. Due to limited competition in butter, discounts and promo...
