### **Report description:**

Butter and spreads is expected to register double-digit current value growth, but much more muted volume growth. Kazakhstan has strong trade links with Russia in particular and its war in Ukraine is negatively impacting the Kazak economy and leading to high inflation. Margarine and spreads continues to account for most volume sales, though butter is expected to register higher value and volume growth in 2023. With consumers continuing to be price sensitive, in light of high inflation, consumers...
