### **Report description:**

Thrifter shopping habits continued to impact retail volume sales of dairy products and alternatives in 2023. Despite the implementation of government measures aimed at reducing the impact of energy prices on Slovak households, the rate of inflation remained elevated, weighing heavily on consumer purchasing power. However, while food prices grew swiftly, some categories proved to be more resilient than others, with plant-based dairy, for example, seeing dynamic growth in retail volume terms, alb...
