### **Report description:**

Plant-based dairy is still underdeveloped in Uruguay with brand and products focused mainly in plant-based milk. However, consumers are becoming more aware about healthier and sustainable options, with new local producers emerging as well as multinationals. During the first half of 2023, the Chilean company The Not Company launched NotMayo and NotBurger and it is expected to increase its portfolio in the short term. Retail volume sales of plant-based yoghurt and plant-based cheese sales are stil...
