### **Report description:**

#### REPORT OVERVIEW

This report offers market size & forecast data for the European contract catering market. The report includes the revenue generated from the contract catering sale. This report provides a comprehensive and current market scenario of Europe contract catering, including the market size, anticipated market forecast, relevant market segmentations, and industry trends. The study considers a detailed scenario of the present contract catering market and its market dynamics for 2023-2028 in Europe. It covers a detailed overview of several market growth enablers, restraints, and trends. The report offers both the demand and supply aspects of the market. It profiles and examines leading companies and other prominent players operating in the market.

#### MARKET DEFINITION

The European contract catering market is growing rapidly post-pandemic. Contract catering refers to the food services provided by a catering company for an organization or an event on a contractual basis. Contract catering is one of the best cost-effective ways to manage food services. The contract catering companies increase the client's reputation and business by offering high-quality food and beverages. Contract catering companies offer services to diverse industries such as healthcare, sports, business & industry, entertainment, education, senior care, marine, aerospace, defense, etc.

#### KEY HIGHLIGHTS

- The Europe contract catering market was valued at \$55.34 billion in 2022 and is expected to reach \$69.77 billion by 2028, growing at a CAGR of 3.94% during the forecast period.
- The Europe contract catering market is growing significantly due to collaboration between contract caterers and events & exhibition vendors, rising demand for customized food, the rise of fresh food subscriptions, penetration of smart devices and digitalization, and growing need for a balanced diet & wellness in senior care centres and healthcare sector, the rise of
