- Multiple User License (Global) €2475.00

Report description:

Analgesics is expected to register moderate constant value growth in 2023. In spite of continuing very high inflation, volume growth is also expected to be healthy, and is supported by continuing population growth. Price limits on analgesics is also protecting consumers, but it is putting a lot of pressure on companies' profitability. As such, GSK Consumer Healthcare announced that it was going to pull out. In response, the government permitted a 25% increase in paracetamol prices.

Euromonitor International's Analgesics in Pakistan report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2018-2022, allowing you to identify the sectors driving growth. Forecasts to 2027 illustrate how the market is set to change.

Product coverage: Systemic Analgesics, Topical Analgesics/Anaesthetic.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
