Report description:

Growth for digestive remedies in Azerbaijan is slow and steady in 2023. With the lifting of pandemic-related restrictions, there was a brief shot of adrenaline as people returned to the office and resumed their social lives. However, any expectation that this category was about to see explosive growth has largely fizzled out by 2023, and growth, though mostly positive in terms of volume sales, has slowed. While people have returned to a faster-paced life, replete with its digestive downsides, di...

Euromonitor International's Digestive Remedies in Azerbaijan report offers a comprehensive guide to the size and shape of the market at a national level.
