Report description:

NRT smoking cessation aids is not a notably significant category in Peru. Indeed, such products are niche and not widely available, and have failed to attract consumer's attention. Smokers prefer to simply maintain their habit or opt for natural and more economical remedies in case they need to quit smoking. NRT patches is the only product available in NRT smoking cessation aids in Peru, with these products seen as being very expensive by the small number of local consumers who are even aware of...
