Report description:

Value sales of premium and luxury cars rose by 4% to total CNY1.7 trillion in 2023, due to demand from higher-income consumers, with expenditure proving resilient in the face of macroeconomic headwinds. Wealth determines the degree of demand that exists for premium and luxury cars, and sales performance is greatly impacted by consumer confidence amongst a niche demographic. The number of wealthy individuals in China has a huge impact on the performance of premium and luxury cars, with 9,000 ultr...
