Report description:

Retail current value sales of premium and luxury cars rose by 8% to total EUR7.7 billion in 2023 due to augmented demand from affluent buyers, who were able to resist macroeconomic challenges. Wealth determines the degree of demand that exists for premium and luxury cars, and prevailing consumer confidence among a targeted, niche demographic has a significant impact on sales. Thus, the number of wealthy consumers in Spain has a significant impact on the performance of premium and luxury cars. Th...
