- Multiple User License (Global) €2475.00

Report description:

Disposable income decline and growing prices are leading to a drop in retail volume sales of weight management and wellbeing in 2023. Economising consumers are visiting pharmacies to purchase necessary products, but, as consumers have become more price sensitive, they are cutting consumption of non-essential consumer health products, including weight management and wellbeing products. Indeed, the general direction of the health and wellness trend, towards holistic and natural approaches, provide...

Euromonitor International's Weight Management and Wellbeing in Serbia report offers a comprehensive guide to the size and shape of the market at a national level.
