Report description:

The lifting of COVID-19 restrictions, the resumption of regular scheduled international flights, and the release of pent-up travel demand from the pandemic years led to a surge in travel trips in India in 2022, which in turn accelerated the growth of deodorants, as the frequency of usage of such products increased. Moreover, the conclusion of the pandemic brought about increased awareness amongst consumers of their personal grooming, which led to a substantial upswing in emphasis on their body o...
