### **Report description:**

In-car entertainment in Germany is set to witness decline in 2023, with a notable decrease expected in current value terms, along with a nearly a double-digit decrease in retail volume sales. This was a continuation of the trend from previous years, albeit the decline was at a much slower rate in value terms. One of the contributory factors was overall price increases, which nevertheless remained slightly below the overall inflation rate in Germany. The energy crisis and the ongoing war in Ukrai...
