- Multiple User License (Global) €1425.00

Report description:

Kellogg Co is ranked eighth in the snacks industry, with a strong presence in savoury snacks and in key markets such as the US. The company has maintained its position in the global arena by expanding its production facilities and presence in emerging markets, and pursuing a strategy of organic growth, which has allowed the company to boost its market share and the visibility of key brands. Tactics used to boost sales include focusing on innovation and collaborations.

...

Euromonitor International's Kellogg Co in Snacks (World) company profile offers detailed strategic analysis of the company's business, examining its performance in the Snacks industry. The report examines company shares by region and category, brand portfolio and new product developments, market and distribution strategies, challenges from the competition and future prospects.
