Report description:

Dammam and Jeddah stand as Saudi Arabia's most economically vibrant cities, boasting the highest per capita GDP. Dammam has the highest per capita disposable incomes, while Jeddah takes the lead in productivity levels. Additionally, Jubail emerges as a city with exceptional potential for future economic growth, as it is anticipated to experience the fastest real GDP growth between 2022 and 2027.

Euromonitor International's City Review reports analyse key trends and developments in 126 world's major cities. They provide localised city information in terms of economy, consumer lifestyles, housing and transport and city environment and offer valuable insights for strategic planning.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
