Report description:

In 2022, sleep aids experienced double-digit value growth, and this trend is continuing into 2023, with even more impressive retail volume growth as well. The catalyst for this growth is undoubtedly the lingering effects of the pandemic, which brought about a surge in anxiety among Mexicans due to lockdowns and significant uncertainty. Concerns about health, family, and finances combined to challenge many Mexicans during this period. While the physical impact of the virus may wane, mental health...
