### **Report description:**

After over two years of Coronavirus (COVID-19) restrictions preventing holiday-goers from flying to destinations, there were strong opportunities from 2022 to make up for lost time. However, 2022 brought other challenges to the industry, mainly emanating from a labour crisis and energy crisis and the effects of inflation on budgets and products and services. This led to further increases in the prices of flights, which were already high due to the reduced availability of routes, and a decrease i...
